

Dear Travellers

To bring convenience and more comfort to the passengers, Ministry of Railways has introduced tri- weekly new Special Rajdhani between Delhi – Mumbai route from 16th October, 2017. Flexi Fare is not be levied on booking of the ticket in this train. This special Rajdhani train will save around 2 hours in journey time in comparison to existing Mumbai Rajdhani. The train is hauled by two locomotives for better acceleration, deceleration and higher speed at 130 Kmph. Fare for this train in 2nd AC & 3rd AC is around 19% cheaper than the maximum flexi fare of corresponding classes of existing Mumbai Rajdhani. The catering services in this train is optional and the passengers shall have the choice to opt out of catering services.

With the introduction of new Rajdhani Express, the travel time will be reduced from the existing time of about 15 hrs. 50 minute to 13 hours 55 minutes i.e a saving of around 2 hours in journey time. It would bring convenience to passengers and passengers will avail of some of the benefits like:

It will save time of the passengers. It will enable the passengers to avoid peak-hours of traffic. Passengers will not need to get freshen up in the train enabling them to have cozy mornings. Passengers can attend offices as per their routine.

This train will have stoppages at Kota, Vadodara and Surat stations only.

Tentative timings are as under :
