A first of its kind initiative from Indian Railways, Shubh Yatra Scheme for Frequent Travellers (SOFT) is brought to you by Indian Railways (through IRCTC).

Click on the activation link received through mail or login through the user id and password received through mail. The page appears as follows :

Remove word "received through sms"

Enter your mobile verification code received through sms and click on submit button to activate your account.

First Click Here link : To get the mobile verification code if you have not received it earlier

Second Click Here link : To update your registered mobile number if you entered wrong mobile number at the time

Add given text"For mobile verification code send a copy of valid passport in PDF or JPG format with request mail to care@irctc.co.in from register Email ID . IRCTC Customer care will send mobile verification code on the registered Email Id."

After clicking on update mobile number link, you can enter your correct mobile number and click on submit button to get mobile verification code again.

If you received multiple messages with different mobile verification codes, the recent verification code has to be used to activate your account.

After successful activation of your account, you can change your password through 'Change Password' link or you can use the same password which is received through mail.
